Financial Aid

St. Mark offers financial aid through the BISON Fund, a privately funded scholarship program offering income-based tuition assistance. The scholarships are selected by lottery and vary depending on family income, household size, and school tuition costs. **Applications are due by March 31, 2026.** The lottery drawing will take place on April 1, 2026. Families will be notified of the results via email.

St. Mark Parish also offers additional tuition assistance to eligible families who are enrolled in our school. A committee of non-school parents confidentially reviews these applications and decisions of the amount of the award are made on a case-by-case basis. The deadline for returning families to apply for aid for the coming year will be the **last day of school of the current year**. Applications for assistance for new families, or following significant changes in circumstances for current families, will be considered throughout the year. Please call the school office for more information.
