

Fairytale STEM Camp

Students will work on developing their critical thinking and problem solving skills through hands on activities utilizing STEM to solve problems in classic fairytales, such as building a stronger house for the 3 Little Pigs, building a zip line to rescue Rapunzel, and much more!

Cost: \$150

When: August 5th-9th, 8:30am-11:00am

Who: Open to grades 2-4

Where: St. Mark School

Please complete the attached application and non-refundable camp fee to the school office, attention to Miss Wind. Payment can be made in cash or by check. Please make all checks payable to Kristyn Wind. The deadline for applications is Friday, May 31st. Once your application is received you will receive confirmation and further details.
