

Hello incoming 5th graders and their families,

We are so excited to get to know you all next year! Until then, we have assigned some Summer Reading for our students to keep their brains strong all summer long.

- ★ Please read the book The One and Only Ivan by Katherine Applegate and complete the attached packet . Please use complete sentences, proper grammar and spelling while completing your work.

- ★ Next, choose a book from the list provided to read. Then *handwrite* a summary of what you read including your opinion of the book! For example, would you recommend this book to a friend? Please use complete sentences, proper grammar and spelling while completing your work. This should be **at least** two paragraphs long :)

Both the completed packet and the second book summary are due to your 5th grade teacher on the **first day of school**. Please do not wait until the last minute to complete your work! We would like to see an accurate representation of your reading and writing abilities to set us up for a successful year.

Happy reading & happy summer.
